

## Admin, Member, and Trainer.

As an Admin : I can login using credentials.

As an Admin : I can manage packages by adding trainers, sessions or deleting old offers.

As an Admin: I can view the package details of an individual member.

As an Admin : I can also view the member's attendance taken by the trainer.

As a Member : I can choose the type of exercise i want(boxing-yoga-weightlifting...).

As a Member : I can view my profile and list of trainers and on what time they are free.

As a Member : I can check my schedule and contact my trainers.

As a Member : I can give feedback on my trainers.

As a trainer : I can log in using credentials.

As a trainer : I can set my profile.

As a trainer : I can see my schedule of the day and update what needs to be updated.
